Technical Training Scheme - Visification of character and antecedents of trainees.

W File No. 101 of 1941-2

General and Revenue Secretariat

Serial No.

The Principals of Institutes are asked to send for Visification to the D.Ms and the D.Ms have to report to the Chairman NSLT Concerned. In the case of Sikhs, the Resident Concerned has to report the fact.
In the beginning the D.M was sending rolls after Visification to this office and was transmitting to the Chairman NSLT direct. Subsequently he was intimated that the D.Ms in the State have been instructed to forward the application with a report direct to him. The procedure in British India is the best and the simplest and avoids a lot of unnecessary correspondence. In the case of trainees with subversive activities the D.Ms have been asked to intimate this office also. Further the addresses of trainees are not furnished and recently one application was returned to the Residency for want of proper address. In view of the above perhaps the Regs may be amended, as in the case of British India, the Principals may be asked to send the rolls to the D.Ms concerned and the D.M to the Chairman NSLT direct. The D.Ms have already been asked to send a report to get to trainees with subversive activities and who have to be discharged. The above procedure saves a lot of unnecessary correspondence - this office addressing

the DMs. the DMs returning the same to the office after verification as the forwarding the same to the Resy for transmission to the Chairman NSLT. The Chairman has already been informed by the office that the DMs have been instructed to send the rolls to him direct after verification. As such the Resy may be apprised of the above. Even in the present list no address is given as it may be rather difficult for the Police to verify the character. As such the Resy will be intimated of the above and the rolls also will be returned to the Subt for perusal with a draft for consideration.

Please put up drafts to D.M.s concerned calling for reports in respect of the candidates referred in the Resy. letter now received

The file is returned with reference to the draft to the Residency, as per order sheet

(DS 18/9)

As requested by the Govt of India the Dr. Magtes were requested to cooperate with the Labour Tribunal in furnishing prompt reports re: character & antecedents, and it was expected that the enquiries would be addressed by the Justices concerned direct to the District Magtes & the latter would send reports to the Chairman of the Labour Tribunal.

Requisitions for such reports are however being still received through the Residency. It is for consideration whether the Heads of Justices and the National Service Labour Tribunal may be asked to correspond direct with our Dr. Magtes. Perhaps, the procedure of such enquiries passing through this Office & the Residency may continue for the present

Dated Bangalore, the 22nd July *194*1.

Technical Training Scheme -
Verification of antecedents
of candidates accepted for
technical training.

SIR,

I am directed to forward a copy of a letter from the Government of India, Labour Department, to all Provincial Governments, No.TR272(1), dated the 25th June, 1941, with enclosures, and to say that the Government of India will be grateful if the Government of Mysore will kindly extend their co-operation in the verification of the antecedents of the candidates who are subjects of the Mysore State.

2. I am to request that, if there is no objection, necessary instructions may kindly be issued to District authorities in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

Verification of the antecedents of candidates accepted for technical training.

I am directed to forward herewith, for the information of the Provincial Government, a copy of this Department letter No.TR272(2) dated the 25th June 1941 to the Chairmen of all National Service Labour Tribunals (except the Punjab and N.W.F.P. Tribunal) and the President of the Punjab and North West Frontier Province Technical Training Selection Committee and to request that, if the Provincial Government see no objection, District Magistrates and Police Officers may be requested to take action on the lines indicated. As the number of trainees involved is large, the verifications may involve some delay and it will be much appreciated if the local officers are asked to deal with the matter as expeditiously as possible. (I am to add that in the case of residents of Bengal, it will be desirable for the histories of applicants from the Districts to be checked by the Central Intelligence, Bengal.)

( ) For Bengal only.

----:0:----

Copy of a letter from the Government of India, Department of Labour, No.TR272(2), dated the 25th June 1941.

----:0:----

Verification of the antecedents of candidates accepted for technical training.

I am directed to say that the Central Government have had under consideration the question of the verification by the Police of the antecedents of candidates accepted for training under the Technical Training Scheme. At present, the applicants have to produce two certificates of good character from respectable persons not related to them, but it is not thought that these are a sufficient guarantee of the character of the trainees considering the important work for which most of them will be required. It

is

is ~~xxxxxxxxxx~~ proposed therefore that enquiries about their character and antecedents should be made by the local police authorities before they are taken into employment on the completion of their training and that in order to avoid waste of public money these enquiries should be made at the beginning of the training and not at the end of it.

2. Principals of institutions and heads of training centres are accordingly being asked to send for verification to the District Magistrates in the case of Mofussil candidates, the Commissioners of Police in the case of residents of Presidency Towns and the Residents concerned in the case of subjects of Indian States, particulars in the attached form of all candidates as soon as possible after they have joined for training. These reports will be verified in the usual way, and if there are objections to the employment of any of the candidates, the District Magistrate, Commissioner of Police or the Resident concerned will report the fact with reasons in brief to the Chairman of the Tribunal for the Province or State concerned, or in the case of the Punjab and North West Frontier Province, the President of the Punjab and North West Frontier Province Technical Training Selection Committee, Lahore. No report will be sent in cases in which there is no objection to employment. The chairman of the Tribunal or President of the Punjab and North West Frontier Province Technical Training Selection Committee will then decide whether the candidates concerned should be discharged, and if so, send orders of discharge to the Principal or Head of the Training Centre concerned, and arrange to fill the vacancies so caused in the usual way. The Chairmen of all Tribunals and the President, Punjab and North West Frontier Province Technical Training Selection Committee are being empowered separately to discharge trainees on behalf of the Governor General-in-Council.

3. A copy of this letter and enclosures is being forwarded to all Provincial Governments with the request that instructions may be issued to District Magistrates and Police officers to be good enough to deal with these enquiries as expeditiously as possible.

Letter from the Government of India, Department of Labour, to all Provincial Governments No.T.[illegible]/41, dated the 6th June 1941.

- - - - -

Verification of the antecedents of candidates accepted for technical training.

- - -

I am directed to forward herewith, for the information of the Provincial Government, a copy of this Department letter No.T.[illegible]/41(2) dated the 6th June 1941 to the Chairman of all National Service Labour Tribunals (except the Punjab and N.W.F. Tribunal, and the President of the Punjab and North West Frontier Province Technical Training Selection Committee and to request that, if the Provincial Government see no objection, District Magistrates and Police Officers may be requested to take action in the lines indicated. As the number of trainees involved is large, the verifications may involve some delay and it will be much appreciated if the local officers are asked to deal with the matter as expeditiously as possible. (I am to add that in the case of residents of Bengal, it will be desirable for the histories of applicants from the districts to be checked by the Central Intelligence, Bengal.)

Letter from the Government of India, Department of Labour, No.T.[illegible]/41(2), dated the 6th June 1941.

- - - - -

Verification of the antecedents of candidates accepted for technical training.

- - -

I am directed to say that the Central Government have had under consideration the question of the verification by the Police of the antecedents of candidates accepted for training under the Technical Training Scheme. At present, the applicants have to produce two certificates of good character from responsible persons not related to them, but it is felt that these are a sufficient guarantee of the character of the trainees enrolled. The important work for which most of them will be required. It is proposed therefore that enquiries about their character and antecedents should be made by the local Police authorities before they are taken into employment on the completion of their training and that in order to avoid waste of public money these enquiries should be made at the beginning of the training, and not at the end of it.

2. Principals of institutions and heads of training centres are accordingly being asked to send for verification to the District Magistrate in the case of Bengali candidates, the Commissioner of Police in the case of residents of Bombay town and the Residents concerned in the case of subjects of Indian States, particulars in the attached form of all candidates as soon as possible after they have joined for training. These reports will be verified in the usual way, and if there are objections to the employment of any of the candidates, the District Magistrate, Commissioner of Police or the Residents concerned will report the fact with reasons

in brief to the Chairman of the Tribunal for the Province or State concerned, or in the case of the Punjab and North West Frontier Province Technical Training Selection Committee, Lahore. No report will be sent in cases in which there is no objection to employment. The Chairman of the Tribunal or President of the Punjab and North West Frontier Province Technical Training Selection Committee will then decide whether the candidates concerned should be discharged, and if so, send orders of discharge to the Principal or Head of the Training Centre concerned, and arrange to fill the vacancies so caused in the usual way. The Chairmen of all Tribunals and the President, Punjab and North West Frontier Province Technical Training Selection Committee are being empowered separately to discharge trainees on behalf of the Governor General-in-Council.

3. A copy of this letter and enclosures is being forwarded to all Provincial Governments with the request that instructions may be issued to District Magistrates and Police officers to be good enough to deal with these enquiries as expeditiously as possible.

Verification of the antecedents of trainees - Discharges by Tribunals.

With reference to this Department letter No.TR272(2) dated the 25th June 1941, I am directed to inform you that it has been brought to the notice of this Department that attempts are being made at certain training centres to form Unions of war trainees ostensibly to protect the interests of the trainees but actually to preach anti-British propaganda and persuade trainees not to volunteer for service overseas. The Government of India are not prepared to countenance activities of this kind and desire that the strongest action should be taken to deal with them. I am accordingly to request that if any such case comes to your notice, you will be good enough to order the immediate discharge of the trainee concerned as ringleaders. A copy of this letter is being sent to Provincial Governments with the request that they will be good eno to instruct the local police authorities to bring any such activities to your notice with the least possible delay.

With reference to this Department letter No.TR272(2) dated the 25th June 1941, I am directed to inform you that it has been brought to the notice of this Department that attempts are being made at certain training centres to form Unions of war trainees ostensibly to protect the interests of the trainees but actually to preach anti-British propaganda and persuade trainees not to volunteer for service overseas. The Government of India are not prepared to countenance activities of this kind and desire that the strongest action should be taken to deal with them. I am accordingly to request that if any such case comes to your notice, you will be good enough to order the immediate discharge of the trainees concerned as ring-leaders. A copy of this letter is being sent to Provincial Governments with the request that they will be good enough to instruct the local police authorities to bring any such activities to your notice with the least possible delay.
